

TEACONE

THE KANDINSKY **TEACONE!**

From the makers of the original DropStop[®], the TeaCone is now available – a foldable and food-safe tea filter, which is a real eyecatcher because of a high quality photo print.

Due to its slight weight it is very versatile. Whether as a letter or magazine insert – it can be integrated almost postage neutral and processed mechanically.

The TeaCone is...

- innovative and practical
- a real eye catcher
- a durable promotional product
- a ideal mailing item

- Material:** metal foil (food-safe)
Size: ca. 135 x 110 mm
Logo: 1/0 C (photo printing/black) or 4/0 C (photo printing)
Packaging: large cardboard box
Delivery time: from 2 weeks

Use of the TeaCone

- roll up the TeaCone and plug together
- turn down the three outer corners
- place the TeaCone into your tea glass
- fill the TeaCone with a tea mix
- dash the tea with water
- clean under running water
- use over many years
